

UPDATE ON THE 2012 NEW CODES – April 12, 2012

This notice is to advise Nevada Medicaid Providers of the current status of the 2012 New Codes.

Program and Policy staff has reviewed the Centers for Medicare and Medicaid (CMS) listing of new codes. It has been determined which codes will be covered as well as the provider types that the codes will be mapped to for Nevada Medicaid. The Rates and Cost Containment staff has completed the rate setting process and the request to update the MMIS tables. The data has been submitted to Hewlett-Packard for updating of the MMIS system.

As of April 9, 2012: The 2012 New code mapping and related rates have been added to MMIS.

As follows is the estimated timeline for the claims recycle:

- Week of April 16th – recycle process to begin
- Week of May 14th – recycles to be completed

Please note that the above dates are estimates and subject to change. As work progresses, further updates will be provided on this webpage.

Please note the following:

A link has been provided on the DHCFP Rates and Cost Containment for the list of the new 2012 codes which will be activated by Nevada Medicaid and their corresponding provider types and rates.

There will be a Web Announcement posted by Hewlett-Packard when the 2012 codes are available for billing.

A recycle will occur sometime after the 2012 new codes are in the system and there will also be a Web Announcement for this process. Thereafter, new fee schedules will be published.

For dates of service on or after January 1, 2012, when applicable, please use the appropriate new codes(s).
